30 Scenes and Scripts for Two Actors

What use is he to us?. They moved through the heavens with precision. Because not one of those, do you hear, not one of those who have opened it, were it but by a hair's breadth, has ever returned alive to the light of day.

Milky White

She explains that the only way to lift the spell is to find four ingredients in the woods: a cow as white as milk, a cape as red as blood, hair as yellow

as corn, and a slipper as pure as gold and bring them to her in three days before midnight.
