Addressing Kids Prejudice: How To Talk To Children About Prejudice And Bias

Having had the opportunity to see the issue from another perspective, Ellie reported being transformed. Words like race are used so often it can seem like their meaning is simple, but the word is actually misused a lot. Later on, children may copy the behavior that was previously observed.

Even Babies Discriminate: A NurtureShock Excerpt.

Books and Monographs Connolly, P. In all activities, highlight that physical diversity among people is desirable, and that all colors, shades, and shapes of people are beautiful.

Talking to Young Children about Bias and Prejudice

Not to jump too far off the bandwagon, but, based upon the logic that learning is founded by observation, then how would you explain the creation of prejudice from the beginning? Race itself has no ethnic meaning per se—but children's brains are noticing skin-color differences and trying to understand their meaning. On the playground after school, some of the parents chat about the project.

Standard Search

They are also not afraid to comment on observed differences.

How Kids Learn About Race, Stereotypes And Prejudice

Read books that depict children experiencing unfair treatment based on their racial identity. A musical celebration of the diversity of children, Nobody Else Like Me gives teachers and children a joyful way to begin talking and singing about the ways we are different. Do not talk down to them.
