Cuba loosens straitjacket on private sector to stimulate economy

Agency for International Development and additional significant roles played by the Departments of State, Defense, Commerce, and Treasury.

The State, Private Sector Development, and Ghana's Age of on JSTOR

The Arab Spring rebellions in Tunisia, Libya, Egypt, and Syria raise a crucial question for analysts: Why did authoritarian or kleptocratic rulers lose control over their polities? Saudi Arabia is also of interest; a more Sunni-tolerant government could be a major ally in dealings with Iran and can provide considerable financial support for post-conflict development.

The role of the private sector

What is the private sector? Youth Employment Young people globally are almost three times more likely to be unemployed than adults. Many health care and medical workers have become refugees and are unable to support the local needs.

Government access to personal data held by the private sector: Statement by the OECD Committee on Digital Economy Policy

As risk reduction is key to encouraging domestic and foreign investment in an uncertain post-conflict environment, USAID, State, DOD, and OPIC should more explicitly address the need to mitigate risk and uncertainty. Small and medium businesses are responsible for most of the jobs in the economy and range from firms with a single employee to companies with up to 500 employees.
