Cowboys Full

Our library is the biggest of these that have literally hundreds of thousands of different products represented. This all has a very non-American feel to it. Author, James McManus explains these and many more comparisons between life and poker in his book.

America's Game: On James McManus' new book, Cowboys Full: The Story of Poker

It could be argued that at times, he stretches to prove this point e.

Cowboys Full: The Story of Poker

It's a very good book about the history of poker.

COWBOYS FULL THE STORY OF POKER

The book lays claim to the idea that poker—as often as it is maligned—is actually more demonstrative of our national character than any other American sport or game, even more than our dearly beloved baseball. This is a much more fluid and impressionistic narrative, albeit with a huge knowledge of the game from which to draw on; at times, in its weaving together of anecdote and observation, it produces the sensation you might get from contemplating a work of art. Unfortunately for me, I was so burnt out on the book by that time I basically gave up so I can read something else.
