Liberia Institute of Statistics and Geo

Type: Blog Monday, October 22, 2018 By: Jonas Claes; Inken von Borzyskowski Drawing on extensive field research in Kenya and Liberia around the 2017 elections in those countries, this report uses local survey data to evaluate the effectiveness of seven prevention measures thought to reduce the risk of election violence.

The Education System in Liberia

As a temporary measure, the project funded the rehabilitation and proper management of the site.

Stigma and Ebola survivorship in Liberia: Results from a longitudinal cohort study

Mate SE, Kugelman JR, Nyenswah TG, Ladner JT, Wiley MR, Cordier-Lassalle T, et al. A total stigma score was derived for each participant at each visit and was calculated as the proportion of all answered questions that indicated stigmatization multiplied by ten.

U.S. Relations With Liberia

Even with this knowledge, women were not welcomed into the implementation process wholeheartedly.

Liberia's long wait for justice

Nearly all of the images document the history of Indiana University. The EVIA Digital Archive Project is a joint effort of Indiana University and the University of Michigan to establish a digital archive of ethnographic video for use by scholars and instructors.

Liberia: Culture, Education, & History

. It is widely noted that women voted in great numbers in the 2005 election and now comprise a significant constituency in Liberian politics. A one-way ANOVA was used to compare responses indicating stigmatization the one-way factor between four subscales enacted stigma, disclosure concerns, internalized stigma and perceived external stigma.

Education

It also teamed up with ministry partners to create a set of program-quality standards that will be used to evaluate future ABE programs throughout the country.

Liberia: Culture, Education, & History

Reform and capacity-building within the municipality and the identification and development of a permanent landfill site are also high on the priority list of creating a functioning solid waste management system. The government must continue to make progress in diversifying the economy, building and solidifying confidence in public governance, and fostering tangible improvements in the lives of average Liberians. The Jerry Slocum Mechanical Puzzle Collection, housed at the Lilly Library, embodies a lifetime pursuit of the intriguing and the perplexing.
