IELTS Academic Reading Passages With Answers

Despite the common practice of all-night cram sessions, most academic experts agree that students should set time limits for their academic readings — and stick to them.

Academic and Critical Reading

Compile a glossary of key terms and concepts in your discipline. This advice can be applied to any assigned reading given to you throughout your undergraduate studies. What are you supposed to get out of it? These questions can help prepare you for discussion or fuel a written reflection.

Reading an Academic Article

In which chapter s will you find information on reading? Develop effective ways to remember important content As you engage in academic reading, it is crucial to retain all of the important facts and data present in the text; for most people, this means multiple read-throughs.

Academics: Reading and Writing Together

Below is an excellent short video tutorial on reading and notemaking developed by the Learning Development team at the University of Leicester. If the authors have provided discussion questions, read them and write them on a note-taking sheet.

Reading Strategies & Tips

They usually do not choose readings that they think you will easily comprehend.
